

THE FREEDOM MEDALLION ORDER FORM

The front of the "Freedom Medallion" features The Great Seal of the United States of America with the words, "FOR FREEDOM" below.

Each point of the Single Star, represents one of the five branches of the U. S. Military Services. The Single Star, represents unity of mission in the preservation of our Freedom. The inscription on the perimeter is self explanatory.

The reverse is inscribed with the founding principal of the VVA and the distinctive Oregon VVA emblem serves as a reminder that we continue to serve veterans. The wreath symbolizes the excellence of our cause, in insuring that the "Honorable Service and Sacrifice Made by the "newer" Generations of Veteran is Never Forgotten".

Vietnam Veterans of America was founded on the principal that "NEVER AGAIN WILL ONE GENERATION OF VETERANS ABANDON ANOTHER".

We, as Vietnam Veterans, have a unique opportunity to live up to this principal. We can recognize the "Honorable Service and Sacrifice" of a "ANOTHER" generation of veterans in a fashion that was never afforded us upon our return from Vietnam.

The "Freedom Medallion is designed to be presented to returning Oregon veterans of the Afghanistan and Iraq Wars, by Oregon VVA Chapters and their members.

Only a Vietnam Veteran may present this "Freedom Medallion" to another veteran. This medallion may be awarded to veterans of any generation for service in any war.

In presenting the "Freedom Medallion" please read aloud, the following statement, to the recipient:

Vietnam Veterans of America was founded on the principal that "NEVER AGAIN WILL ONE GENERATION OF VETERANS ABANDON ANOTHER".

In behalf of Oregon's Vietnam Veterans, I wish to thank you and extend our heartfelt gratitude in recognition of your "Honorable Service and Sacrifice". May they never be forgotten.
